not possible to increase the budget grant. He now repeat his proposal for increasing his permanent advance. He says that out of Rs 150 now placed at his disposal Rs 50 are required for the Hubbal Farm, Rs 20 for the urgent office expenditure and that Rs 80 alone are available for expenditure in connection with Kolmaya & other investigations. He requests that either the advance of Rs 150 may be increased to Rs 500 or a sum of Rs 250 may be placed ~~placed~~ at his disposal out of Imperial Cess fund.

6 An additional Permanent advance of Rs 350/ is asked for, not on account of increase of expenditure, but because money has otherwise to be remitted by postal money orders to the parties sent out in connection with Koleroga experiments. Remittance between two Government officers is necessarily for a bona fide public purpose, and there is no objection to Mr. Coleman remitting money by Remittance Transfer Receipts in such cases (Art 143 A(1) C.A. From

Leslie C. Coleman Esquire, M.A., Ph.D.,
Mycologist & Entomologist to the Government of Mysore,

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Generla and Revenue Departments, Bangalore.

Sir,

I have the honour to request that you will kindly lay before Government the following matter and obtain sanction for it in as early a date as possible.

In my letter No. 473 of 18th January 1910 I applied through the Comptroller for enhancing the permanent advances with me, viz, the present permanent advance of Rs. 150/- to Rs. 500/- for reasons stated in that letter. As no orders have been passed on this matter at such a length of time I presume that this has been overlooked by Government.

As stated in my letter quoted above I send out the staff under me to different parts of the State for works connected with Koleroga investigation, grass-hopper pest preventive measure and for demonstration of improved agricultural implements &c. Very frequently half a dozen parties have to be on tour. Some of these have to camp in Malnads over months for Koleroga investigation and to adopt preventive measure for grass-hopper pest. Government are aware that tour expenses here are heavy. Out of the present advance of Rs. 150/-, Rs. 50/- are at the Experi-

(2)

mental Farm at Hebbal and the remaining Rs. 100/- have to be distributed for these camps after reserving about Rs 20/- for urgent expenses in the office. So to these camps frequent remittances have to be made either by means of money orders or by currency notes, the commission on these remittances becomes an unnecessary expenditure on the officers in charge of camps.

I now therefore request you to lay this matter again favourable before Government for their consideration. If Government are not favourably disposed to sanction the enhancement of the permanent advances even after your second representation I request that you will kindly obtain sanction of Government to place at my disposal a sum of Rs. 250/- out of Supari Cess Fund as permanent advance for expenses in connection with Koleroga investigation work.

I have the honour to be,

Sir,

Your most obedient servant,

Leslie C Coleman
